FTP Instructions

Placing graphic files on the First Displays FTP site is easy, fast and free. There is a simple step to follow and you can have all the files you want produced placed on our site and ready for production.

- Please place all art files in a folder. Name the folder by client name.
- Stuff or Zip the folder using a compression software such as Zip It or Stuff It.
- Be sure the compressed folder or file size is under 1GB.
- Go to the site by using Internet Explorer and entering in the address field <ftp://goldendisplay.com> You need to type USER ID "fdigest" and password "Guest01".
- Simply drag your folder and drop onto the site and the transfer will begin.
- You must send an email to info@firstdisplays.com to let us know the folder or file name after the transfer is completed.
